SUMMARY

- Vanderbilt University Bootcamp Certified Full Stack Web Developer, with a specialty in building user-friendly applications.
- Master communicator with a background in customer service.
- Team oriented problem solver known by peers for many contributions to projects and a desire to learn from others.

TECHNICAL SKILLS

Languages: HTML5, CSS3, Javascript, JQuery, Node Js, Express, Handelbars.js & ReactJS
Database: MySQL, MongoDB
Applications: GitHub, Microsoft Suite, Heroku

PROJECTS

OnHand | www.github.com/msplawn/on-hand | [https://msplawn.github.io/on-hand/]
A simple solution for cocktails and meals that allows a user to type in the ingredients they have "on hand" and view related meal and cocktail recipes based on their search.
- Developed the idea and wrote back-end code using two APIs. Worked with the front-end team to enhance overall aesthetic in order to make a user friendly interface.
- HTML, CSS, Semantic UI, Flexbox, JavaScript, JQuery, AJAX, Media Queries, GitHub

Simply Somm | www.github.com/KingKitty89/project2 | [metric-drake-50737.herokuapp.com]
An application that allows a user to search for wines and whiskeys based on taste and aroma preference.
- Focused on back-end development and functionality. Used sequelize methods to create API routes and connected the application to a database of wine and whiskeys for querying.
- HTML, CSS, Bootstrap, Express-Handlebars, Express.js, JavaScript, Node.js, JQuery, Sequelize, ESlint, TravisCI, Heroku, GitHub

EXPERIENCE

Server   2018 – Present
HUSK   Nashville, TN

Server in a fine-dining establishment, consistently providing excellent service to a diverse clientele in a fast paced environment. Team oriented with a proactive attitude, constantly striving to improve operational efficiency while increasing sales, anticipating the needs of each guest, and resolving customer concerns and complaints expediently.

Key Accomplishments:

- One of a small group of employees chosen to serve private events, providing a memorable experience for groups of 10-30 people. Often working independently or with one other team-member to ensure a positive guest experience while maintaining communication with chefs to execute a seamlessly timed service, all while problem solving as needed.

Bootcamp Certificate: Vanderbilt University, Nashville, TN
A 13-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Bachelor of Music: Berklee College of Music, Boston, MA
